

Amendments to the Foreign Operations Appropriations Bill

Amendments Made in Order By Unanimous Consent Agreement:

NOTE: No Other Amendments Are In Order

Blumenauer (#4) -- ensure that the amount of funds provided to the Office of Environment and Urban Programs for FY 2002 is greater than the amount of funds received in FY 2001.

Brown (OH) (#5) -- increase funding for the Child Survival and Health Programs Fund by \$20 million specifically for other infectious diseases including TB and malaria (the bill currently provides \$155 million). The increase would be offset by eliminating funding for the Contribution to the Multilateral Investment Guarantee Agency by \$10 million (currently funded at \$10 million equal to last year and the request) and the Contribution to the Asian Development Bank by \$10 million (currently funded at \$103 million, \$31 million more than last year and equal to the request).

Brown (OH) (#7) -- prohibit any funds in the Act from being used by the Export-Import Bank to guarantee, insure, extend credit, or participate in an extension of credit in connection with the export of any good or service by a company that is under investigation for trade dumping by the International Trade Commission, or is subject to an anti-dumping duty order issued by the Department of Commerce.

Cardin (#8) -- expressing the sense of the Congress that all governments, entities, and municipalities in the region of the Federal Republic of Yugoslavia are strongly encouraged to cooperate fully with the International Criminal Tribunal for the Former Yugoslavia in pending cases and investigations. The amendment also expresses that all governments in the region should cooperate fully with the Tribunal, including the arrest, surrender, and transfer of all persons who have been indicted by the Tribunal but remain at large; and full access to Tribunal investigators to requested documents, archives, and any officials where necessary for the investigation and prosecution of crimes under the Tribunal's jurisdiction.

Conyers (#11) -- prohibit any funds in this Act from being used for aerial spraying efforts to eradicate illicit crops in Colombia.

Hoekstra – (#44) – conditions the availability of \$65 million for the Andean Counterdrug Initiative on the submission of a report regarding the shooting down of civilian plane carrying missionaries by the Peruvian Air Force after the plane was targeted by another DOD owned plane that had been chartered by the CIA as possible drug smuggling operation and an additional report on the implementation of safeguards to prevent the occurrence of similar incidents. **Will Not Be Subject to a Point of Order.**

Jackson-Lee (#47) – increase funding for the Child Survival and Health Programs Fund by \$100 million specifically for micronutrient child survival and maternal health and other infectious diseases and reduce funding for the Andean Counterdrug Initiative by \$100 million.

Kaptur (#50) -- add language stating that “not less than \$125 million should” be provided for assistance to the Ukraine. Currently, bill language provides for funds under this heading “not to exceed \$125 million.”

Kucinich (#23) -- prohibiting the use of funds appropriated through this Act to be used by the Export-Import Bank of the U.S. to assist with a limited recourse project or a long-term project involving an oil or gas field development, a thermal power plant, or a petrochemical plant or refinery.

Ose (#55) -- prohibiting funds in this Act from being used for U.S. contributions to the United Nations International Narcotics Control Board.

Paul (#30) -- prohibit funding of International Family Planning groups.

Pelosi (#32) -- provide \$250 million in international disaster assistance for El Salvador. These funds are designated as emergency spending and therefore, will be in addition to funding authorized in the Budget.

Roemer (#33) -- increase Developmental Assistance by \$12 million (currently funded at \$1.098 billion, \$207 million less than last year and \$227 million less than the request) and reduce the Contribution to the Inter-American Investment Corporation by \$7 million (currently funded at \$10 million, \$15 million less than last year and the request), reduce Operating Expenses of the United States Agency for International Development by \$1.1 million (currently funded at \$549 million, \$29 million more than last year and equal to the request), and reduce the Contribution to the Multilateral Investment Guarantee Agency by \$3.9 million (currently funded at \$10 million, equal to last year and the request).

Smith (NJ) (#34) -- earmarks \$10 million of funding to carry out the Trafficking Victims Protection Act of 2000.

Trafficant (#59) -- prohibiting the use of funds in this Act from being used by any person or entity that has been convicted of violating the Buy American Act.

Traficant (#38) -- prohibits the use of funds appropriated in this bill for providing assistance to the Russian Federation.

Waters (#61) -- instructing the Director at the International Bank for Reconstruction and Development and the International Monetary Fund to use the voice, vote, and influence of the U.S. to: (1) cancel 100 percent of the debts owed by the heavily indebted poor countries to such institutions; and (2) require that such cancellation be provided through their own resources.

Conyers – Amends the current restrictions on the Plan Colombia or Andean Counterdrug Initiative by:

- Allowing the President to waive the current cap on the number of U.S. contractors (U.S. AID and CIA agents for example) which is set at 300 individuals, provided that such a waiver does not cause the total personnel to exceed 800 (current law provides a cap of 500 for military personnel and 300 for contractors) and provided that Congress is informed of the extent of the waiver.
 - Waiving current law to permit the use of funds for the procurement and use of weapons for other than non-defensive purposes provided that the Committee on Appropriations is regularly notified of such uses.
-
